

# Rave FINANCIAL.

## How to set up alerts and reminders

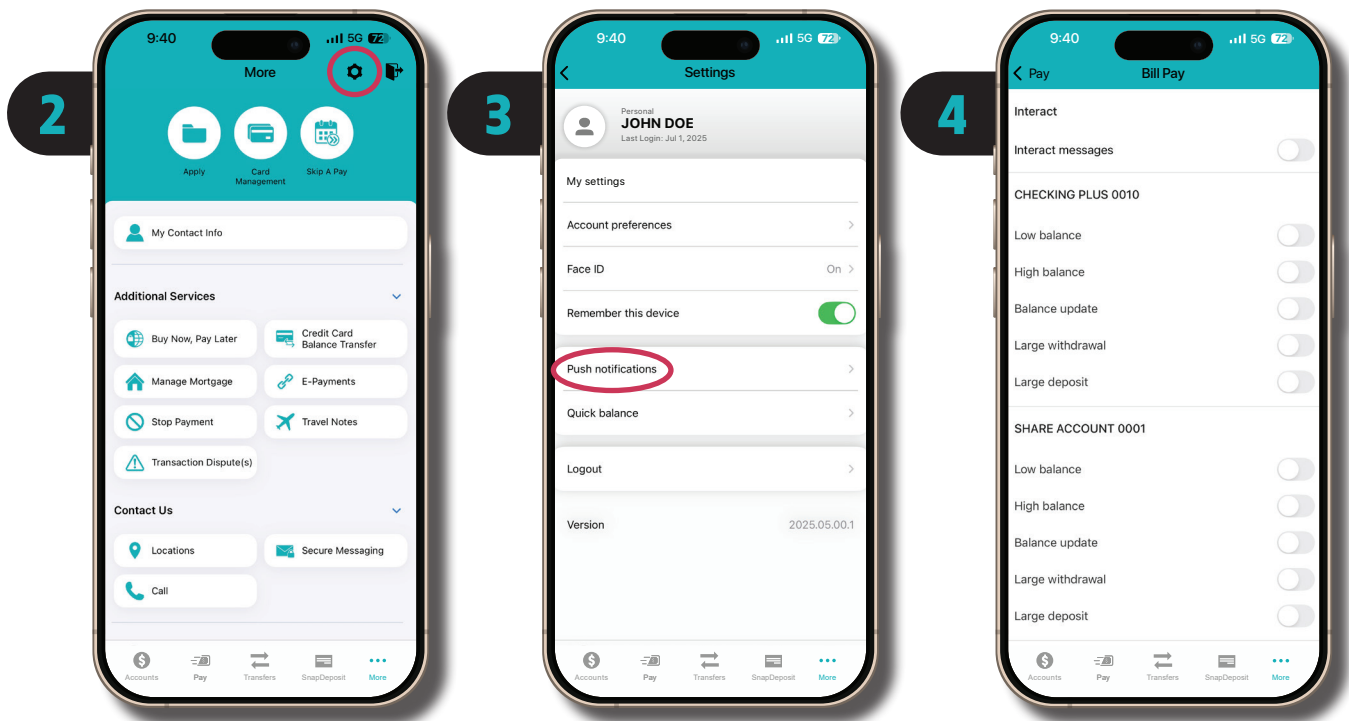

# Mobile Phone Instructions

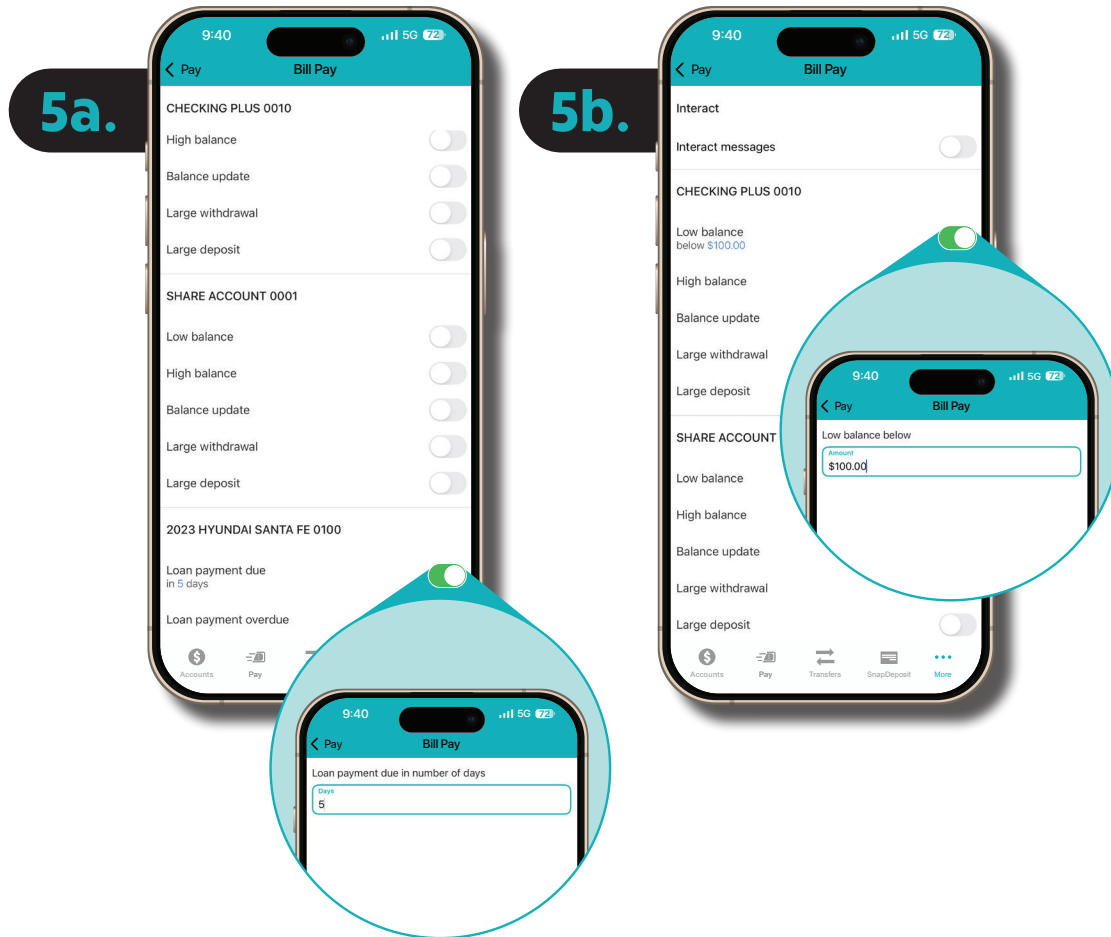

## Push notifications for the Rave Financial app

1. Open the **Rave Financial App** and **login** to your account.
2. At the top of your screen, **tap on your settings icon**. ⚙️
3. Select "**Push notifications**".
4. Toggle on the notifications you would like to receive.

**Please note:** Alerts are not instant and can take up to 24 hours to be received.

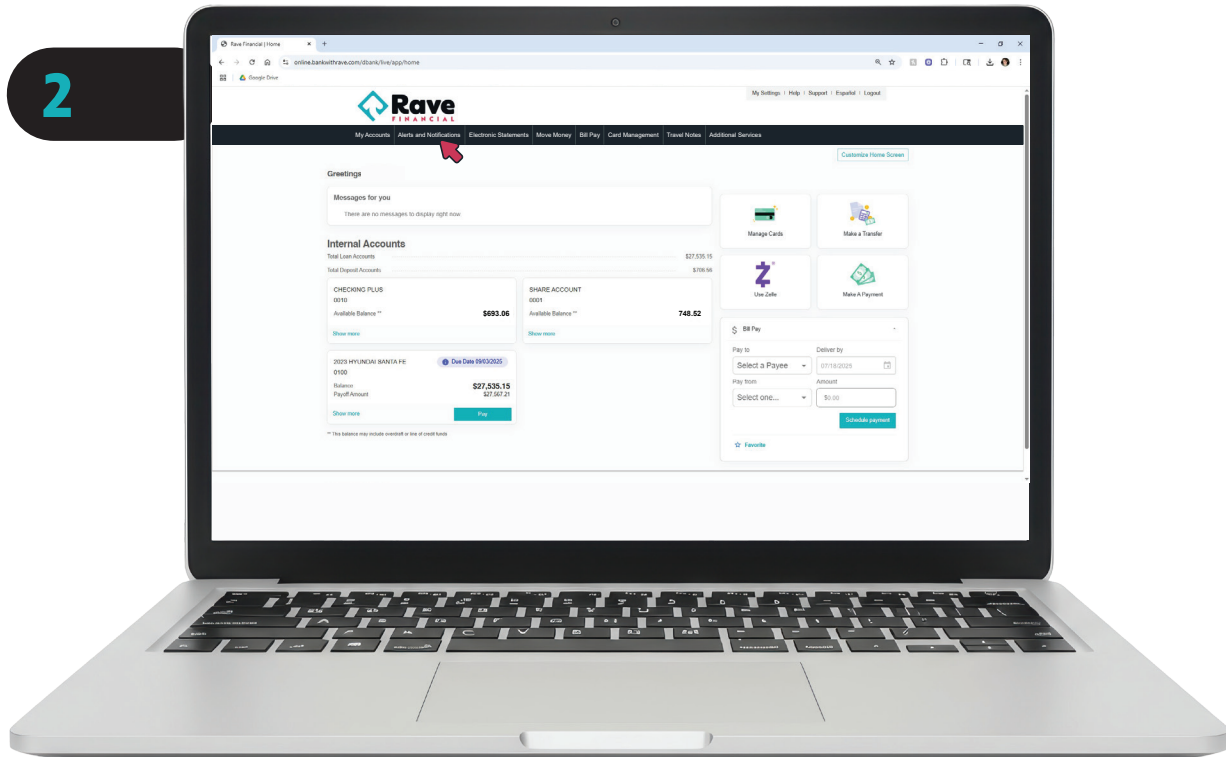

5. Customize which alerts you'd like to receive, such as:
- a. How far in advance you'd like your loan reminder to be
  - b. What amount you would want to be notified that your account has reached a low balance.

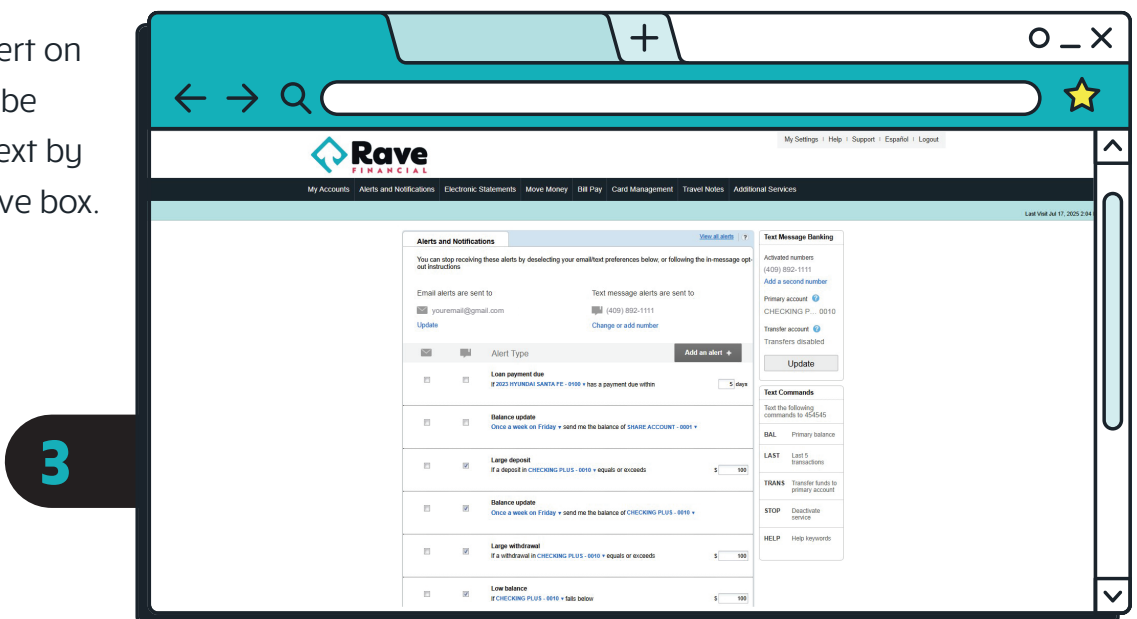

# Online Banking Instructions

## Text and email alerts

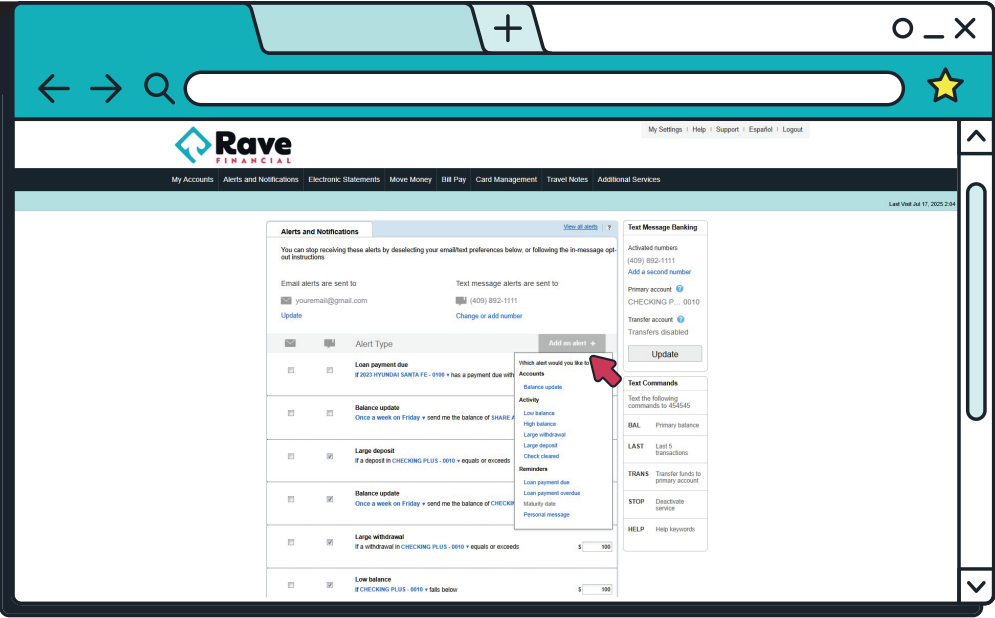

1. Visit [www.bankwithrave.com](http://www.bankwithrave.com) and click "Login" in the upper right corner.
2. After logging in, navigate to the "Alerts and Notifications" tab at the top of the screen.

3. Customize each alert on whether you'd like to be notified via email or text by checking the respective box.

4

4. If you'd like to browse other alert options to add to your account, click the "Add an alert +" button.
5. Click the alert you'd like to add, and customize it like in step 3.
