How to use Snap Deposit

Mobile Phone Instructions

1. Open the **Rave Financial App** and **login** to your account.
2. At the bottom of the screen, **tap "SnapDeposit"**.
3. **Select the account** you would like the check deposited into.

4. Click "**Take Photos**". An example will appear on the screen to help you align your check correctly.
5. Take the photo when **green edge detectors** appear on your screen. After taking a photo, the app will let you know whether the check will be held for review or has been submitted successfully. **Sometimes checks are held for review based on the dollar amount.**

Important Note: On the back of the check, you must add an acceptable endorsement such as: "**For mobile deposit only at Rave Financial**"
