

How To Set Up and Use Text Message Banking

Did you know that you can bank from your phone on-the-go with text message banking? To get started, you'll first need to enroll.

How to enroll in Text Message Banking:

1. From a web browser, go to <https://bankwithrave.com/>.
2. From the homepage, click **Log In** in the upper right-hand corner.
3. Log In to online banking using your Rave Financial username and password.
4. Once you log in, you are viewing the my accounts screen.
5. From the my accounts screen, click the **Alerts and Notifications** tab.
6. On the right side of the screen, you'll see a box labeled **Text Message Banking**.
7. Click **Start Text Banking Now**.
8. In the Text Message Banking pop-up window, type in your area code and phone number, select the account you use the most, the account you would like to transfer money from when an account is low, and click **Activate**.
9. You have now been enrolled in online banking!

How to use Text Message Banking

From your text message app, text one of the following prompts to 454545:

To get your primary account balance, text **BAL**.

To see your checking account balance, text **BAL CHK**.

To see your savings account balance, text **BAL SAV**.

To see all account balances (including credit cards and loans), text **BAL ALL**.

To view your last 5 transactions, text **LAST**.

To transfer funds to your primary account, text **TRANS (Amount)**

For example, if you would like to transfer \$20, text **TRANS 20**.

If you need help with text message banking, text **HELP**.

To deactivate your text message banking service, text **STOP**.
